

About Us

We are Patrice and Markus Rosenbaum and, together with our two children, moved from Australia over 7 years ago to make Chamonix our home. Chamonix offers fantastic skiing in Winter (Markus is usually on the 1st lift up!) but, it is the Summers that have been the real surprise for us. Beautiful sunny, warm days with stunning scenery and huge range of activities to suit everyone. We have certainly enjoyed living in Chamonix and look forward to the next 7 years and more!
